

## ZOOMOBILE PROGRAMS

Thanks so much for your interest in our integrative education programs! All Zoomobile programs are aligned to College and Career Readiness Standards, making them the perfect addition to your school year. The information below will help in selecting the right Zoomobile for your group.

- Duration:** 45 minutes, multiple sessions available in the same visit.
- Location:** Your school, or another public indoor facility.
- Capacity:** 50 person max, including students (3+ years) and teachers.
- Date:** Any day! Please plan at least four weeks in advance.
- Cost:** Dependent on distance from the Zoo...
- Jackson and Clay Counties – free visit once per group per school year.
  - 0 – 30 miles – \$125 and \$50 for each additional same-visit session.
  - 31 – 60 miles – \$175 and \$50 for each additional same-visit session.
  - 61 – 90 miles – \$225 and \$50 for each additional same-visit session.

**Color My World:** Zoo Educators and Animal Ambassadors visit to help your students recognize different colors in relation to animals. Objectives are for each student to be able to...

- Identify nine different colors.
- Associate colors with appropriate animals.
- Define the word camouflage.

**Just Like Me:** Zoo Educators and Animal Ambassadors give your students a hands-on experience of how our five senses compare to different animals. Objectives are for each student to be able to...

- Identify each of our five senses.
- Compare and contrast themselves with other animals.
- Identify some basic animal adaptations.

**Let's Get on the Move:** Zoo Educators and Animal Ambassadors help your students explore locomotion of different kinds of animals – and themselves, too! Objectives are for each student to be able to...

- Demonstrate their motor skills.
- Compare and contrast themselves with other animals.
- Identify three to four different ways animals move.
